Pima County
Hand Count / Early Ballot Audit Report
September 23, 2025 Special General Election

Synopsis:
Pursuant to A.R.S. § 16-602 (B), Pima County conducted the hand count/early ballot audit for the September 23, 2025 Special General Election. Two percent of vote centers were counted as required by statute, which amounted to two vote centers out of 59 vote centers.

The hand count audit process began on September 24, 2025 following the election. The physical hand count audit began on September 27, 2025, at 7:30 AM when representatives from the Pima County Democratic, Republican, and Green parties met to select the vote centers and early ballot audit batches to be counted. All ballots were accounted for in the central counting location before the selection process started. The selection order was chosen by lot, and the Democratic Party was chosen to go first.

With the order established, the specific vote centers to be counted were selected with the representatives from each party alternating the selection. Once the vote centers were chosen, the early ballot batches to be audited were selected.

The master vote center and early ballot batch selection lists are attached for review. The physical hand count started at 9:00 AM on September 27, 2025 and was concluded at 10:00 AM. The tabulation method used was the stacking method. The hand count was conducted by 8 boards consisting of 3 to 4 members, of which not more than 2 members were from the same political party.

Early Ballot Audit:
One percent of early ballots were audited as per Arizona State Law. The early ballot audit consisted of 6 batches, each containing 200 early ballots. There was a total of 66,010 early ballots cast in Pima County as of 09/27/2025.

Comments:
The results of the early ballot audit and the vote center hand count were within the variance as defined by the Arizona Secretary of State.
